THE ALIYA YOGA MASSAGE

90 minutes	Rp. 360,000
------------	-------------

Yoga Massage combines deep tissue massage with coordinated breathwork and yoga stretching. In addition, the deep tissue massage dissolves physical tension, while the assisted stretches and breath exercises realign the body and stimulate the natural flow of energy.

THE ALIYA FOUR HAND MASSAGE

60 minutes	Rp. 360,000
------------	-------------

Four Hand Massage or Purva Karma involves two therapists working simultaneously to create a choreographed massage experience and has the same effect as two full body massages. Originating from ancient Ayurveda, the dynamic flow of two massage therapists working together in harmonious synchronicity is an experience that is difficult to match.

INDIAN HEAD MASSAGE

60 minutes	Rp. 150,000
------------	-------------

Indian head massage is an ancient therapeutic treatment that has been practiced in India for thousands of years, and is incredibly relaxing. A variety of warm coconut and herbal oils are massaged into the scalp, relieving headaches, migraines and stress.

THE ALIYA BODY MASSAGE & SCRUB

120 minutes	Rp. 350,000
-------------	-------------

The decadent treatment will leave your skin smooth, muscles relaxed and spirit growing! Begins with a one hour traditional body massage and is followed by and exfoliating coffee-infused rice powder scrub to remove dead skin cells. Winds down with a cooling natural yogurt application to restore Ph balance.

THE ALIYA CELLULITE MASSAGE

60 minutes	Rp. 200,000
------------	-------------

Cellulite is fat that forms beneath the skin, causing lumpy irregularities over the buttocks, thighs and abdomens of most women. The Aliya Cellulite massage is a wonderful self-indulgent treatment to reduce cellulite, improve toning and stimulate your body's ability to break down fat, increase metabolism and eliminate water retention.

THE ALIYA CELLULITE SCRUB

60 minutes Rp. 250,000

The Aliya Cellulite scrub uses 100% pure coffee, sea salt and olive oil to remove dead skin cells and smooth and enhance your skin's overall texture. We focus on the areas normally associated with the build up of cellulite.
